

# The Scorecard

## MESSAGE FROM THE PRESIDENT

Another month has passed, and we can begin to see (months away) the end of another great golf season here at the Jeremy. There are still many golf and social events to take place, and I encourage everyone to participate and take the fullest advantage of what Jeremy has to offer.

Those who attended our first ever Concert by the Green were treated to our best ever social event. Over 200 people gathered on the hillside behind the eighteenth green to enjoy a great barbecue and wonderful musical entertainment. The general comment was, 'We have to do this again'. Needless to say, there will be a second Concert by the Green.

The nominating committee for the Jeremy Board of Governors has submitted a list a candidates to the Board. These candidates are: Ellen Artist, Paul Dorius, Paul Epp, Dan Hall, Layne Read, and Jeff Wood. The Board considers this to be a very strong list of candidates and felt privileged to accept these nominations. However, if you or anyone you know would like to run for the Board for this coming year, please contact Rick Schaefer or myself (Larry Eagan) for details on procedures for running.

Ballots for this year's election will be mailed to all members by October 10<sup>th</sup>, and the Meet the Candidates' Night will be held on Thursday, October 12<sup>th</sup>. Ballots for this year's election must be received by the Club by 5:00 p.m. Friday, October 20<sup>th</sup>. Candidates Bio's will appear in the October Newsletter. I encourage everyone to seek these people out and question them on their views, goals, etc. Remember, three of these people will be representing you for the next three years.

You will notice that our timeline for elections this year has been moved up by one month. We have done this so that new Board Members will have a two month transition period working with the current Board, and with the committee that he/she will be chairing. Our goal is to help new Board Members hit the ground running in January when they assume their new Board positions.

Have fun, and enjoy our wonderful club!

*Larry Eagan*

Ala carte dining also available.

## INAUGURAL CONCERT BY THE 18th GREEN FRIDAY, AUGUST 11TH

From the Golf Shop– Heidi Henning, Merchandise Manager

Wow! August flew by! The golf course has never been in better shape. Many members have extended an invitation to their friends and family to enjoy our beautiful mountain course. This has contributed to higher guest rounds.

The ladies invitational had a new format with the highest number of members and guests to date.

Gold Flight

SATURDAY, OCTOBER 28TH  
STARTING AT 10:30 AM

## Treasurer's Column - From John Fischer

Before discussing the Club's financial performance so far this year, (which is progressing well), I would like to mention a few initiatives the Finance Committee and Board of Governors are considering as part of our ongoing strategic planning process, of which the Member survey this spring is an integral part.

One suggestion is to make The Jeremy a cashless club. Many country clubs are cashless and it would be a small step toward enhancing exclusivity at The Jeremy, as well as streamlining back office accounting with our clubs limited office staff. Credit cards would still be allowed for purchases made in the golf shop, for both merchandise and guest fees, but Member and their guest charges in all food and beverage outlets would be required to be run through the Member's account. Cash would only be allowed for certain outside events, such as UGA golf tournaments or private functions (Member or non-Member) with cash (non-hosted) bars.

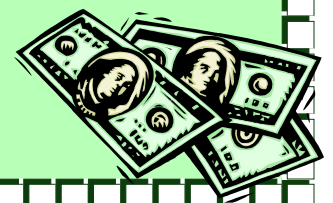

Another suggestion is to make The Jeremy a non-tipping club. The primary reason for this consideration is to eliminate a Member feeling compelled to reach in his or her pocket two or three times each visit to the club. We could implement this for the outside cart staff only or include the restaurant staff as well. There are many options to accomplish this. Two examples would be: 1) Raising the cart fee from \$12 to \$13 with the added dollar going into a pool to be split amongst the staff based on hours worked. 2) Establish a service fee amount to be billed to each Member at the beginning of each season; these funds would be used to compensate the staff at a higher hourly rate to compensate for their loss of tip revenue. We feel a more predictable compensation for the service staff within our Park City labor market will help us attract quality people, and promote a higher level of service.

If you have advice or opinions- (either positive or negative), please track down one of your Board Members and "bend their ears". E-mailing Board Members works well too – you can find all Board Member e-mail addresses on The Jeremy website ([www.thejeremy.com](http://www.thejeremy.com)). The Board would like to hear from you and include all Members comments in the discussion, before taking further initiative on these subjects.

As for the financials, through July 31 (the first seven months of our fiscal year), The Jeremy beat the budget by greater than \$21,000. The Golf Shop department is close to budget. The Grounds and Administration departments have outperformed budget, with the Restaurant below budget expectations.

Golf Shop merchandise sales are 15% ahead of last year through July and their profit margin on those sales has increased from 22% to 25%, a lot of this due to Heidi's efforts with non- Members whom do not receive our Member discount. Guest and cart fee revenue this year has exceeded budget and year to date activity of last year. In the Administration department, transfer fees (the \$5,000 we receive for each Membership sale) are \$180,000 to date. This is \$40,000 ahead of budgeted expectations, but \$40,000 less than last year through July.

The Restaurant department is showing a strong increase in revenue in banquets, dining room and the mid-mountain canteen. Overall Restaurant department revenues are 40% above last year at this time and slightly ahead of our aggressive budget, ( which anticipated increased restaurant usage due to the Member minimum increase made effective January 1, 2006). However, the costs of servicing this increased restaurant business have exceeded expectations, especially in the month of July. The 2006 Restaurant budget was based on the concept increased restaurant traffic will result in more operating efficiencies. This proved to work only to a point. Our kitchen size and clubhouse layout create problems and inefficiencies if we combine too many banquets combined with our usual busy season restaurant traffic. We plan to be more discriminating, including raising prices for certain kinds of plated functions, when scheduling future banquets especially in the month of July when both the ladies and men's Member- Guest tournaments take place.

# THE JEREMY LADIES ASSOCIATION SEPTEMBER 2006

To All of our JLA Members!

The golf season is in full "swing" and we hope that you are all enjoying our marvelous golf course! We have had a successful July topped off with a great Member Guest Tournament. Many thanks go to our chairs, Sara Lee Chindlund and Ellen Artist for providing a wonderful event.

Our leagues and team play continue. Please join us on Tuesday morning or Wednesday evening! We will be continuing through September.

Please mark your calendars for the 18 hole and 9 hole Championships. We would love to have as many ladies as possible participate.

Also, at the end of September, we will hold our fall social. This is always a great way to end our season. We encourage all of our members to attend and join with us in celebrating our season.

Finally, we are starting to look to fill our positions for next year. Please contact either of us if you are interested in serving on the Board. It is a great way to meet new ladies and become involved.

Keep on swinging!

*Karrie Jarratt and Jan Stephenson*
