Many people think that yoga is just stretching. But while stretching is certainly involved, yoga is really about creating balance in the body through developing both strength and flexibility. This is done through the performance of poses or postures, each of which has specific physical benefits.

From the Golf Shop ~ Jake Hanley, Certified PGA Head Golf Professional

The golf course has now been put to sleep, while the golf shop will remain open throughout the winter months. The golf shop hours are Thursday and Friday 9:00am to 8:00pm and Saturday and Sunday 9:00am to 5:00pm. We are ecstatic to be open this winter and look forward to creating new great memories and offering a line-up of events that will be exciting for everyone!

If you are looking for a new outfit for that trip down south or for golf lessons from one of your PGA golf professionals please stop in and see us. All clubs are priced to sell and our sale racks are filled with items as low as \$5. If you have a club or shirt in mind that is not in stock, please let us know and we can special order the item for you.

Our state of the art TruGolf simulator will be in the golf shop this winter and tee times can be made one week in advance. This simulator allows you to make full swings throughout the winter and play some of the top courses in the world. We have 47 courses and a driving range to choose from on the simulator and the weather is always sunny in the golf shop. Men's and women's net and gross tournaments, demo days, lessons and contests for all members will be held throughout the winter months. The activities on the simulator will begin on Thursday, January 10th and tee times can be made one week in advance.

Ten pack passes for the simulator are now available for \$90. This is a ten dollar savings! These passes can be purchased from Alayna in the business office.

We have a new addition in the boardroom this winter. We added a hitting bay that is first come first serve. The hours are Thursday and Friday from 5pm to 8pm and Saturday and Sunday from 9am to 5pm. Please fill out the sign in sheet when you drop in to practice. There is no charge to practice but please keep your practice sessions to 1 hour or less.

The golf shop staff wishes everyone a happy and healthy New Year! We appreciate your continued support and look forward to a great 2013!

See you on the first tee

Tip from the Golf Shop Keep it loose over the winter months

With the winter months upon us here are a few stretches that will keep you limber through the winter.

1. Sit down in a chair and place your feet flat on the ground shoulder width apart. Take a 7 iron and place one hand on the grip and the other on the head of the club. Raise the club over your head and rest the club on your shoulders. Turn your shoulders to the right and hold for 3 seconds. Then return to the starting position and repeat this process to the left. Do this a few times.
2. Stand on your left leg with your right hand in the air. Bend forward at the hip, allowing the left knee to bend as you sweep your right hand across your body towards your left foot. Use your left leg to slowly push yourself back to the starting position. Repeat a few times then do the same from the other side.
3. Stand shoulder width apart with a golf club in your right hand hold the golf club parallel to the ground. Rotate the head of the club 180 degrees and then back to the starting position. Repeat this a few times then switch to the other hand.

NEW* Boardroom Range “BR”

Thursday and Friday
5:00pm to 8:00pm

Saturday and Sunday
9:00am to 5:00pm

- * **Free** use for members and their guests
- * Reservations are not required so just drop in. We do ask that you keep practice sessions to an hour or less.
- * Please sign the clip board with your name and fill in the check in and checkout times so we can track how many people are using the BR
- * Use irons, hybrids and woods but no tee's as these will lead to pop up shots that hit the ceiling
- * Wear athletic shoes as opposed to golf shoes

From Grounds Superintendent, Tom Rhoades

The grounds department is busy with winter maintenance of golf course machinery and equipment.

We have packed the perimeter of the course to reduce the amount of vole damage for the spring. We check the course conditions regularly and continue to work toward a successful spring here at The Jeremy.

If you have any questions or concerns please do not hesitate to contact the club.
