

Welcome To The Jeremy

Chad Pettingill grew up in Northern Utah. He started playing golf at a very young age at Valley View golf course in Layton, Utah where his father was the PGA Golf Professional for 35 years. The time he spent with his father at the golf course was the main reason Chad became a PGA Golf Professional.

Chad graduated from the University of Utah in Business Management and played on the university golf team where he lettered all 4 years. In 1997, shortly after graduation, Chad turned professional and moved with his wife Melissa Winegar Pettingill to Scottsdale Arizona to start his professional career with Troon Golf at Kierland Golf Club. Chad spent the next 14 years working for Troon Golf at various clubs around the country including: Kierland GC in Scottsdale AZ, Eagle Ridge GC in Galena Ill, Anthem CC in Anthem AZ, Moon Valley CC in Phoenix AZ, Badlands GC in Las Vegas NV, Bahia Beach CC in Puerto Rico and Diablo Grande G&CC in Patterson CA. Most recently, Chad has been the Director of Golf at Red Hawk Golf & Country Club in Sparks, NV.

Chad has a family of 6 with wife Melissa, daughter Kenady (13), twin boys Tanner & Jaxon (10) and Landen (8). They are a lively bunch that like to spend time together golfing, hiking and playing all kinds of sports. Chad is very excited to be returning home to work at The Jeremy Golf & Country Club.

The weather has started to change but that does not mean it is time to tune up the skis yet. The golf course is still in great condition and we have several great member events to come. Please inquire with the golf shop staff or on the website. www.thejeremy.com

Green Aerification Schedule

Front Nine ~ *Wednesday, September 4th*

Back Nine ~ *Thursday, September 5th*

You will be able to reround on each of these dates in order to play 18 holes

18 Hole Guest rates will be \$55 on each of these dates

The first annual **Member Appreciation Day** will be Friday, September 20th. Guest fees will be \$40, all regular priced merchandise in the golf shop will be 35% off and we will have discounts on appetizers as well. Please bring some friends out to enjoy this new tradition.

The annual **Men's Association Dinner** will be held on Tuesday, September 24th at 6:00pm and the **Ladies Association Closing Social** will be held on Thursday, September 26th at 6:00pm.

Monster Day will be held on Saturday, September 28th and will be a 10:00 AM shotgun. Guests are welcome to participate in this event as it is a 4 Person Scramble format. Bring your "A" game to the course on Monster Day.

Just a reminder, for those of you who would like to play in the 2014 Men's Round Up you can sign up with me today. For a full list of upcoming events please go to www.thejeremy.com.

This fall will be the eighth season that holes 4, 5, 6, 10, 11, 12, 13, 14 and 17 will have electric fences surrounding the greens. The ruling for relief will be as follows: **Nearest Point of Relief** The "nearest point of relief" is the reference point for taking relief without penalty from interference by an immovable obstruction (Rule 24-2). It is the point on the course nearest to where the ball lies: a. that is not nearer the hole b. where if the ball were so positioned, no interference by the condition from which relief is sought would exist for the stroke the player would have made from the original position if the condition were not there.

Due to the frost and shorter days, the first tee times and range hours have started to change. Tee times are currently beginning at 8:00am and the range hours will be changing on Sunday, September 1st to *Sunday ~7:30am to 6:00pm, Monday ~ check tournament schedule, Tuesday thru Saturday ~ 7:30am to 7:00pm*. Please contact the golf shop staff or check the website for any other information.

Thank you to all who participated in the events during August. I would also like to thank the outside and inside golf staff as they have endured the heat outside and my bad singing inside. Thank you for your hard work. If there is anything that our staff can do to make your experience here at The Jeremy better please let us know.

See you on the first tee.

Tips and Drills from Corey Wooley PGA, *First Assistant Golf Pro*

One of the easiest ways to shave strokes off your game is by developing a strong short game, specifically putting. It's no mystery that if you are putting well, you will ultimately score A LOT better. Remember, a 4-foot putt and a 320 yard drive both count for the same amount of strokes. Zach Johnson is currently one of the best players in the world, even though he is one of the shorter hitters on tour. His putting keeps him extremely competitive. Brandt Snedeker, the PGA Tour's 2012 Fedex Cup Champion, was ranked 2nd in the world in putting last year when he won.

Here are a couple drills that I practice regularly to keep my putting stroke dialed in, and to develop confidence on shorter putts.

Short Putts – I like to utilize the small practice hole on the putting green whenever I am practicing putting. It makes the hole seem a lot bigger on shorter putts when you are on the course which takes the pressure off. I measure 6 spots around the hole and out 3 feet away and mark them with tees so I don't have to measure before every putt. The hole only holds 3 balls, so putt 3 at a time then pull them out, and putt the next three.

Lag putting – For lag putting, my favorite drill is the “get it to the hole” drill. I place the flag about 2 feet behind the hole then roll a bunch of 25-30 footers. The goal is to get the ball to the hole but to not hit the flag on the ground. By getting the ball to the hole you at least give it a chance to go in.

Stroke control – My favorite drill out of all the ones I practice is the stroke control drill, inspired by Adam Scott. I place 2 tees in the ground on each side of the putter at setup, leaving about 1/8th of an inch on each side. Then I simply practice my stroke, trying not to hit the tees. You can even put a ball down and roll putts at a hole, focusing mainly on not hitting the tees. This drill is simple and can be done anywhere - put any 2 objects on each side of the putter in your house (TV remote, other golf balls, etc.). If you are having swing path problems with your putter, this is a HUGE help!

Jeremy needs YOU!

Every year we elect 3 new Board Members. We don't care how long you've been a member, what sex you are, or what your handicap is. You also don't need to be a financial wizard or have served on other boards. **What we need is enthusiastic members that want to be involved.** The Board's role has changed from when I came on the Board almost 3 years ago. We now have a very knowledgeable management company, Landscapes Unlimited, managing Jeremy. We also just hired Chad Pettingill, with tons of experience, as Jeremy's GM. So, next year's Board's role has more to do with strategic planning than running the day to day operations. Please consider getting involved and putting your name on the ballot as a future Board Member.

Send me an email (lhpd@scomcast.net) and we can speak further about what's involved with being a Board Member.

I've been formally known as "Larry the Social Guy" and then I got demoted to President and now I'm the Past President.

As we wind down to the end of the 2013 season we can look back on the wonderful events of the Ladies' Association. We are thrilled to have so many new members. We currently have 138 members.

- Our Tuesday / Wednesday Ladies' Days chaired by Leah Bedell, Darcy Tsandes and Suzy Turnlund have been well attended and lots of fun.
- Our Match Play, in its second year, is increasing in participation.
- Our Team Play chaired by Marie Bambo for A-Team, Christina Padan for B-Team, Roberta Lynch and Kacy Quinley for C-Team, has been fun and has created great camaraderie.
- Our Ladies' Invitational chaired by Laurie Smith and her committee was run so smoothly and was enjoyed by all.
- Tee-it-Up for Cancer Research chaired by Marianne Goldthorpe, Julie McMullin and Jayne Peterson was a huge success.
- Club Championship chaired by Colleen Hoffmann took place and our new club champion is Marie Bambo.

I would like to thank my executive board: Vice President, Christina Padan for all of her hard work organizing the volunteers for the Men's Invitational, making fabulous wine/liquor baskets for the Men's Raffle, and being there to support me; Barb Cherrington, Secretary, for her excellent and timely minutes of our meetings; Kathy Ure, Treasurer, for her competence in managing our money; and Jill Candland, the lady with many hats, as our Membership, Ringer Board and Handicap chair- more efficient at many jobs than some of us are at one. We are so fortunate to have a board that is dedicated to facilitating women in golf.

The JLA Board and Tee-It-Up for Cancer Committee are thankful for the huge success of 2013 Tee-It-Up for Cancer fundraiser. The Board and the Committee look forward to hosting the 2014 Tee-It-Up for Cancer event on June 24-25, 2014 and Whoop-It-Up on June 26, 2014.

We have many wonderful volunteers who have worked together to make the 2013 season one to remember. Now is the time to be thinking of ways that you can participate. The new committee chairs will be announced soon and always need help.
