Social Membership Terms and Conditions

As a social member of JRGCC, you agree to be bound by and accept the terms and stipulations set forth in the By-Laws of the Club and all rules and regulations enacted by the Governing Board of Jeremy Ranch Golf and Country Club regarding privileges associated with this Social Membership.

As a social member of JRGCC, I understand and authorize Jeremy Ranch Golf and County Club to obtain credit card authorization to establish the validity of my assigned credit card as a basis to open my Social Membership account with Jeremy Ranch Golf and Country Club.

All food and beverage purchases (by default) will be billed to the social membership account. In order to pay with a credit card at the time of service, you must inform your server and present your credit card.

A Social Membership allows the primary member, spouse/partner and all relative dependents living at your residence under age 18, access to the golf shop, restaurant, banquet facilities and all non-golf club events. As a Social Member you have the privilege of bringing guests to the Club. Guests are not permitted the use of Club facilities unless they are accompanied by you, the member.

As a social member of JRGCC, I agree and accept full and complete responsibility for any and all charges made on my Social Membership account by any/all who I have listed on my application. Charging Golf Shop merchandise to your Social Membership account is not permissible. ***Golf shop merchandise sales must be paid for at the time of purchase.***

Social Members are required to include either bank account ACH or credit card information to be set up in our EZ Pay billing system. A monthly statement will be emailed to you on or near the 5th of each month, for your review and the balance due for each month will be processed on or near the 20th of the month. If the ACH or credit card transaction is denied the social member's account will be in-activated, pending a full payment and a new valid bank account ACH or credit card account number. If the Social Membership account is closed, the annual fee is non-refundable.

Social Membership privileges **do not** include: access to the golf course, practice facilities, or use of reciprocal clubs or the fitness center. Social members may play as a guest of a Golf Privileges member in accordance with our guest policies. An exception to use the golf course/range will be granted for social members who purchase the plus two or four golf round credits, on the day in which they are redeeming the golf round credits.

Jeremy Ranch Golf and Country Club reserves the right to terminate social membership privileges for conduct unbecoming by a Club member, account delinquency and any other reason deemed appropriate by the Board of Governors. No refunds will be issued for terminated social memberships. Social memberships are valid from date of purchase through December 31 of the approval year and are automatically renewed until notice to terminate is received via email or letter.
